CAMPUS FOOD SERVICES

Fresh food. Real smiles. Every single day.

Squeeze is a founder-run campus food brand built on a simple idea — students deserve food that is fresh, fast, fairly priced and served by people who actually care.

FOUNDER · SQUEEZE

THE FOUNDER

Vikrant brings years of professional F&B and catering experience to Squeeze. He is a known name in Mohali's catering circuit and has served large-format crowds at the PCA Stadium, Mohali, during IPL and international cricket fixtures.

That operational discipline now sits behind a small campus counter — where he personally oversees quality, hygiene and consistency, every single day.

Our Mission

To make fresh, honest food the easiest choice on campus — priced so that any student can eat well, served fast enough to fit between classes.

Our Vision

To become the food counter students genuinely look forward to — on every campus we operate, run with the same founder-level care as our first.

MANAN · STUDENT, ISB MOHALI

“The evening chicken momos are the best thing on campus. Always hot, always fresh, and never a long wait.”

MENU ITEMS
ACROSS THE YEAR

Proven on campus

Two years of continuous daily operation inside a live university environment, through term time, exams and event peaks.

Built for speed

A tight menu and a trained three-person team designed around short breaks and long queues. Delivery to hostel blocks available.

Founder-led, on site

Vikrant is personally present in the operation. Escalations reach the owner directly — not a regional manager in another city.

Large-format capability

Catering experience at PCA Stadium, Mohali, for IPL and international fixtures — volume operations are familiar territory.

Student pricing

Core items from ₹50. Pricing is set for daily affordability, not occasional treats — and held steady through the term.

Fresh, not frozen

Fruit cut to order, juices pressed on request, seasonal menus that rotate with availability rather than sitting in cold storage.

OUR PROMISE

Standards we hold ourselves to.

Waste discipline — same-day fruit prep, no carry-over
